

MIRARCO Mining Innovation Sponsors the 2015 Sudbury Regional Science Fair

As pictured above, Vic Pakalnis, President and CEO of MIRARCO Mining Innovation was very proud to present the MIRARCO Award at the 2015 Sudbury Regional Science Fair. The Science Fair was a huge success and MIRARCO was, once again, proud to support the fair by providing a cash prize for the "Best Project Related to Risk Assessment or Mitigation in Mining." This year's winners of the MIRARCO cash prize were Madeline Baron and Mackenzie Anderson from Alexander Public School for their project "Wood it stop?"

Congratulations to Madeline and Mackenzie and MIRARCO would like to wish you the best of luck in your future studies!
